PUBLIC NOTICE

Livingston Parish GUD #1

The purpose of this message is to inform the public that Livingston Parish GUO# I has buried gas pipelines throughout the gas service area that provide safe reliable energy to its customers. Livingston Parish GUO # I maintains these pipelines to a high standard, and they are considered reliable. A Damage Control Program (line markers) and an Emergency Plan for responding to an emergency situation has been established and we work closely with Fire and Emergency Response Personnel. Prior to any excavation in and around any gas facilities contact either of the numbers below.

One-Call System 1 (800) 272-3020 or 811

How to Recognize a Natural Gas Leak

Natural gas leaks may be detected by one of the following indications on or near our pipelines right-of-way:

1. A gaseous or hydrocarbon odor. (Smell of rotten eggs
2. A blowing or hissing sound.
3. Dust blowing from a hole in the ground.
4. Continuous bubbling in one spot in wet or flooded area.
5. Dead vegetation (grass, shrubs, or trees.)
6. Abnormally dry or hardened soil.
7. Fire apparently corning from the ground or burning above the ground.

That's why it's important to **"Call Before You Dig"** or move earth in any way. Whether you're installing an underground dog fence, running water to an outbuilding or post-hole digging for a new mailbox post, underground piping and other utilities can be damaged. When you call **LA One Call at 1-800-272-3020 or 811**, they will locate all buried utility lines on your property, so you can safely dig and prevent a potentially hazardous safety issue.

CAUTIO : Gas that has accumulated in a confined space is subject to **EXPLOSION**. Please stay away from immediate area of any suspected gas leak and contact the Livingston Parish GUO #I Maintenance Department! ever tum on or off Switches or use a flashlight or phone in the presence of a gas smell.

NOTE: Livingston Gas and Fuel does **not** maintain buried piping between the gas meter and the house or business. The customer is responsible for maintaining and repairing this section of gas piping from leakage. These buried gas lines should be checked periodically for leakage.

If you need additional information, suspect a natural gas leak or in case of an emergency concerning a Livingston Parish GUO#I System gas main or service line, immediately call:
